

Debby Renfro

This is my 30th year as a member of Delta Kappa Gamma. I never dreamed at my installation back in 1993 I'd be nominated for MSO President - ever! Having served in all chapter offices, except Treasurer, as Southern District Assistant Director and Director, Professional Affairs Rep, Leadership Development Committee member and chairman, (and a few other state committees) as well as MSO First Vice-President, I've experienced many levels of learning and responsibilities in DKG. And many levels of fun! I've enjoyed thirty years of District meetings, State Conventions, and International Conferences and Conventions. Plus years and years of Chapter fun! If elected, it would be my privilege and honor to serve the wonderful women of Mississippi State Organization, Delta Kappa Gamma Society! And I ask for your much needed help and support!
