

## **Karen Rhodes**

In 1985 I became a part of wonderful professional family, Delta Kappa Gamma Society International. This society has provided me with opportunities for personal and professional growth. It is because of this that I want to give back and serve the members. I am excited to be nominated as your Second Vice President. Planning District Meetings with the Directors and Assistant Directors is our major task for the beginning of the biennium. Winston Porter defined TEAM with this acronym, Together Everyone Achieved More. Can't wait to see how we "Team Together" with these new officers.
