

## **Cindy Alsworth-Jones**

I am honored to be considered for the position of Recording Secretary for the 2023-2025 Biennium. I have served in many positions in Delta Chapter, my local chapter and have also served on the Membership Committee at the state level and currently serve as the Recording Secretary for the Mississippi State Organization of Delta Kappa Gamma. I attended the Leadership Management Seminar in 2017. I have attended several Chapter Leaders Retreats and state conferences. I also attended the most recent International DKG Conference in New Orleans. Outside of Delta Kappa Gamma, I serve as the state president for the Mississippi Science Teachers Association and as secretary of the Mississippi Association of Biology Educators. I am also a life-time member of the Covington County Friends of the Library. I am also a member of the Smith County Retired Educators Personnel of Mississippi. After finally retiring as a teacher at Mt. Olive Attendance Center after 36 years as a full time teacher and 4 years as a part-time teacher, I am enjoying time with my husband who has also retired and also keeping our newest grandson. Together, Mike and I have a combined family of three children and five grandchildren.
